Report from STAA Meeting 24th October

The main item of business at the meeting was the Transfer of Title. This is a very important issue for our community as it involves transferring the title of the hall back to Crown.

There are arguments for and against this proposal and committee members are gathering as much information as possible.

A decision will be made about this at the next STAA meeting so please come along.

Planning for "The Man from Ironbark Festival" is progressing well, though we would love to have more volunteers to help with the catering for the morning tea.

A cake stall is going to be held Thursday 14th November at the front of Home and Office, to raise money for the "Piano Fund", once again if you could help it would be appreciated.

Donations of cakes and goodies can be left at the RTC on Wednesday afternoon or alternatively can be dropped directly to the stall.

The AGM will be held in December and nominations will be called for in November.

Some minor landscaping is going to be carried out around the new information signs to finish them off.

Our Village Grant proposal will have to be modified as the new Wellington Council is going to provide entry signs for all of the villages. The proposal for seating at Boehme's Hall will go ahead but if you have any suggestions for other projects, please let us know.

Report from Council Community Report Meeting 30th October

Approximately 20 residents and many Councillors and administrative staff attended the meeting on Tuesday evening.

Rod Burgh, the mayor, introduced himself and stated that he thought that these community meetings were an excellent way of engaging with the community and that the "report card" program was a good way for residents to see how goals were being achieved. He did state that there would be financial constraints. He thanked everyone for coming and supporting the council. Michael Tolhurst reviewed the progress of issues planned for the financial year. The red, yellow and green dots on the flow chart indicate whether planned projects have been completed, started on not yet achieved. He stressed that this was an important means of keeping communication going.

There are plans for a bus stop at Euchareena, hopefully to be ready for the start of the new school year.

Another meeting will be held with interested parties as to the future of the old garage in late November.

Ray Pulbrook explained to the meeting that some flood mitigation work had been done on the contours which will hopefully relieve the problems that have been experienced during very heavy rain periods.

The meeting then moved to an open forum and then those in attendance had an opportunity to study the Report card and seek information from the councillors and staff in attendance.

The Report Card will be on display in the RTC noticeboard and one at the Post Office.

The next Council meeting will be held in February.

A Thought to Ponder

“The Seed Shop”

Here in a quiet and dusty room they lie, faded as crumbled stone or shifting sand. Forlorn as ashes, shrivelled, scentless, dry – meadows and gardens running through my hand. Dead that shall quicken at the call of spring, sleepers that stir beneath November’s magic kiss. Though birds pass over unremembering, and no bees seeks here, roses that were his; in this brown husk and dale of hawthorn dreams, a cedar in this narrow husk is thrust, that will drink deeply of a century’s streams. These lilies will make summer on my dust. Here in their simple house of death, sealed in their shells, a million roses leap. Here I can blow a garden with my breath and in my hand a forest lies asleep.

School News

We return to school after September holidays with a calendar full of learning and assessment activities to be completed before the end of year.

The P&C will continue to run canteen on Mondays and crunch & sip during the week.

Thank you to those mothers who come to help with food preparation. The children do appreciate a lunch order and fruit break in the morning.

We will continue to travel to Mumbil School for combined sports on Fridays and may even join them, going to swimming lessons later on in the term.

A parenting program will be held at the school beginning 29th October. Sarah Woodham from Orange will be running the program and she has told us that the parents/ carers really enjoy the sessions not just the morning teas. All interested parents (even if your children do not attend this school) are invited to attend, so if you are up for learning a few new strategies to help your children learn please contact the school for times and dates.

A great new competition the ‘National Word Mania Challenge ‘ was launched in October and the students have registered online to become word maniacs and spell as many words as they can in 3 minutes. Good Luck. School photos will be taken on Friday 2nd November and we will attend The Life Education Van on Friday 9th November.

Our prize presentation and concert evening will be held on 13th December at the School of Arts Hall commencing 6pm. All welcome. Hope to see you there.

The launch of the Papillon Collection

The friends of the
papillon foundation present

Katie Barton died unexpectedly on the 22nd of November 2009, leaving a vision unfulfilled; to create a collection of art for the Wellington community, to be enjoyed by all in perpetuity. After Katie's death her husband and a group of her friends decided to try and make her dream a reality.

The Papillon collection is the result. All the art works have been donated. A big thankyou to all those who have donated art works and all who have helped realise Katie's dream.

Saturday 24th November 6pm

Macquarie Theatre, 36-42 Swift Street, Wellington

Open invitation with entry by donation. Children welcome.

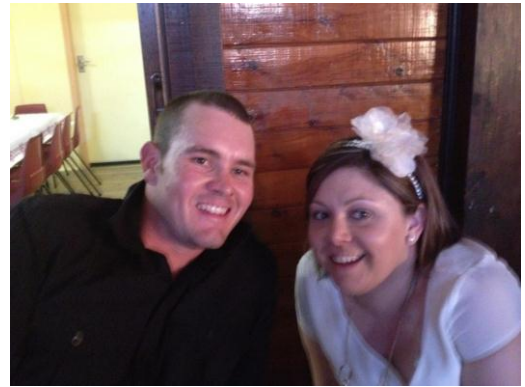

Spring Dance

The Spring Dance was a great success with about 100 people attending. The hall looked great and the table decorations were fantastic. Many who attended dressed up in their best Spring outfits, though some of the fellas were very relaxed in their casual gear.

The band The Legless Pedestrians, played wonderful music that we could all remember and for those of us who missed out on learning how to really dance, it was super music to wriggle to! The auction was amazing! So many generous people were bidding up and up and up, though the items were really valuable. And Kylie and her helpers did a great job collecting them all. Mark Frazer also helped by being an encouraging auctioneer.

I'm sure everybody will be looking forward to the next dance.
